Dear Reverend Father Kevin Robinson,

Thank you very much for the set of catechism books you have kindly sent us in 2007. Our community enjoyed them very much, but since we are a contemplative order, we pass them on to the Society Saint Pius X Sisters for teaching purposes. They will be put to good use for the little souls entrusted to the sisters' care.

We do have some questions to ask of you, Father:

- 1) Enclosed is our latest brochure on the construction work of our new monastery and church. Would you be able to help us raise money for our future church?
- 2) Soon we will have a young lady, Miss Michelle Perez, from the Philippines joining our monastery (autumn 2009). She needs a benefactor for her pension. Would you be able to help her?
- 3) Last, but not least, our French monastery is overflowing with English speaking nuns... they hunger to read their spiritual books in English! Would you like to help us expand our library selection? We are looking for books from: Father M. Raymond OCSO, Mgr. Richard Hugh Benson, encyclical of different popes, monastic/choir books, saint books, or any other book available is highly appreciated and most welcome.

We thank you very much, Father for your prayers, your generous help, and devotion to all your sisters in Christ. Please be assured of our daily prayers for you and all our generous benefactors. Please let us know what you are able to do to help so we can plan otherwise. Thank you very much Reverend Father for all that you do for the salvations of souls.

Sincerely in Christ,

Sr. Clare pr.
